FESTIVAL OF THE CHILDREN OF MOUNTAINS

Nowy Sącz, 24-30 July 2022

RULES

I. PROGRAMME PRINCIPLES

1. The FESTIVAL OF THE CHILDREN OF MOUNTAINS in **Nowy Sącz** is an event of common fun and games, providing children with an opportunity to become acquainted with the wealth of folk culture and tradition of various parts of the world. The children learn tolerance and respect for a variety of cultures, religions and customs of different nations. The Festival also enables artistic managers and choreographers who run children folk ensembles to cooperate and exchange experiences as well as to share their viewpoints on children folklore and methods for presenting it on stage.
2. **Children's folk ensembles** from mountainous regions participate in the Festival. Ensembles from non-mountainous regions are allowed to be guest participants. They are full participants in the Festival.
3. **!!! The age of participants should remain within the range of 7-14 years old.**
This limit does not apply to members of the musical band accompanying the ensemble.
4. The main programme principle of the **FESTIVAL OF THE CHILDREN OF MOUNTAINS** is that each Polish ensemble is coupled with a foreign partner ensemble with which it performs at all the concerts as well as participates in all accompanying off-stage events.
5. **The Festival is of a non-competitive character.**
6. **!!! During the Festival the ensembles present the folklore of their own regions in an authentic / traditional form** by means of children's dance, singing, games and play. The programme should be suited to the age and interpretative abilities of children.
7. **!!! Ensembles using playback (tapes or CDs with recorded music) or electronic instruments in their performances are not allowed to participate in the Festival!**
8. **!!! The programme of the Festival comprises, among others, the following events:**

*The organizer reserves the right to change the schedule.

9. THE NATIONAL DAY.

Each foreign-Polish ensemble couple is assigned one day in Nowy Sącz, the so-called "national day," on which they present their main programmes as well as become the "hosts of the Festival." The idea behind THE NATIONAL DAY is to enable each ensemble to put on a wide-ranging presentation of the culture of its own region and country. For this purpose, the ensemble can also engage in off-stage activities, which in their character will largely depend on the ensembles' own initiative and ideas. As for the implementation of these, the organizers are willing to provide any help required by the ensembles. Any suggestions and ideas concerning THE NATIONAL DAY should be described in the participant registration form herewith enclosed (available for the ensembles qualified).

The programme of THE NATIONAL DAY comprises:

- forenoon presentations of the partner ensembles on an open-air stage in front of the Nowy Sącz town hall and in town streets (up to 15 minutes),

- fair of folk art, handicraft and – as far as possible – regional cuisine, typical of the ensemble's country and region. Market stalls for the fair will be provided by the Festival organizer.
 - the evening **main concert** at the Riflemen's Park Amphitheatre in Nowy Sącz (**!!! duration of the performance should not exceed 30 minutes**), concluded with dancing and playing with audience participation initiated by the ensembles.
10. For the duration of the Festival an **International Artistic Committee** is appointed by the Director of the Festival in consultation with the Polish Section of CIOFF®. During joint sessions with the ensemble leaders the Committee members evaluate the ensemble's NATIONAL DAY programme, its mode of presentation and stage performance.
 11. **!!!** The leaders of each ensemble shall prepare and teach two technically simple dances to the partner ensemble. These dances will be performed, inter alia, during the Festival's final concert.
